Dear Ms. Dortch:

On March 2, 2011, the Telecommunications Industry Association (“TIA”) submitted notices of *ex parte* meetings in the above-captioned dockets covering a number of issues. Alcatel-Lucent representatives were present at those meetings, and Alcatel-Lucent is submitting this letter to clarify its position on one issue addressed in the TIA *ex parte* notices. Specifically, Alcatel-Lucent has not taken a position on the Good Faith Purchasers’ Alliance Petition for Rulemaking (RM-11592) or the issue of interoperability for commercial 700 MHz devices.

Please contact the undersigned with any questions in connection with this filing.

Respectfully submitted,

/s/

Jeffrey A. Marks
